  Any conduct reports must be submitted immediately.

The Principal determines optimal class size. Classroom placement will be determined by the Principal after review of all records. If, after the records are reviewed, a concern exists about a student's appropriate placement, a conference will be scheduled.

All transfer students will be placed on a six month academic probation period. An academic screening will be required before grade placement can be determined. The school office will contact parents in May to schedule a date for the screening.

I certify that the information given here is accurate. I understand that offering inaccurate or incomplete information could result in a student's dis-enrollment from St. Joseph School.

Parent/Guardian's signature _____
